WILLAMETTE Nursery Co.

Fall Catalogue

1947

Rt. 11, Box 933, Portland 2, Oregon

FOREWORD

WILLAMETTE NURSERY COMPANY aims to have satisfied customers. Repeat orders and letters expressing satisfaction prove that we live up to our aim. We do not offer any sensational bargains because they are too expensive and too dis-appointing to customers. We sell only Grade A plants and bulbs, we cannot afford to do otherwise. **"Your Satisfaction is Our Success."** Our prices are as low as our quality permits.

You may place all your plant and bulb needs in one order and we will ship the individual items at the proper time. For instance, we ship bulbs from the latter part of September to the middle of December, roses, peonies, berries after November 15th, lilies at their proper time.

[We do not ship C. O. D., only cash with order. As this simplifies our bookkeeping, we will ship all orders over \$5.00 postpaid. Add 10 per cent to orders up to \$5.00.]

If you do not find your garden needs in this list, please write for information and prices. We will gladly help you. Quantity prices on request.

Sincerely yours,

WILLAMETTE NURSERY COMPANY

ORGANIC GARDENING

You can do yourself no greater favor than to read the enclosed booklet on organic gardening and to order the magazine by the same name.

WONDER PLANT AND GARDEN SPRAY

This spray has been perfected by a practical greenhouseman and gardener. It contains DDT, Pyrethrum and Rotenone and is a very effective and economical spray. It keeps your shrubs and vegetables clean of all chewing and sucking insects. It will not burn tender foliage or open flowers. A trial will convince you. If your dealer cannot supply you send his name and address together with \$1.15 and we will send you 1 pint of Wonder Plant and Garden Spray.
